Technical Data / Teknik Veriler

Cylinder Bore Silindir Çapı	Ø88.00
Stroke Hareket	50 mm
Swept Volume Hacim	608cm³
Air Inlet Port Size Hava Giriş Bağlantı Noktası	M26x1,5
Air Delivery Port Size Hava Çıkışı Bağlantı Noktası	M22x1,5
Number of Cylinders Silindir Sayısı	2
Through Drive Direk Çalışma	OK
Unloader Port Size Hava Tahliye Bağlantı Noktası	M22x1,5
Water (W) or Air (A) Cooled Su (W) or Hava (A) Soğutmalı	W
Water Inlet Port Size Su Giriş Bağlantı Noktası	M18x1,5
Water Delivery Port Size Su Çıkış Bağlantı Noktası	M18x1,5
With ESS Feature / ESS Özelliği Energy Saving System / Enerji Koruma Sistemi	OK
Water Cooled Valve Plate Su Soğutmalı Valf Pleyt	OK

KLÖTZE TECHNIC

Gesuchte Europäische
Qualität

Klötze Technic is a Germany-based company specializing in truck, trailer, and bus spare parts. Together with our sales office in Turkey, we provide our customers with original spare parts of guaranteed quality. Our products are manufactured with superior German engineering. Our main groups consist of Engine, Cooling System, Fuel System, Exhaust System, Clutch & Pedal, Gearbox, Propeller Shaft, Axles, Brake System, Hubs & Wheels, Suspension, Steering, Electrical System, Cabin, and Body.
At Klötze Technic, we strive to provide our customers with the highest quality products, competitive prices, and superior customer service.

Our Mission:
At Klötze Technic, we work to provide our customers with the h ighest quality and reliable spare parts for trucks, trailers, and buses. Our high-quality products are manufactured with superior German engineering.
Our mission is to meet our customers' needs and provide them with the best customer service possible.

Our Vision:
At Klötze Technic, we aim to become a world-leading company in the field of truck, trailer, and bus spare parts.
Our vision is to provide our customers with the highest quality products, competitive prices, and superior customer service. In doing so, we aim to meet our customers' needs and ensure their satisfaction.

Our Quality Policy:
At Klötze Technic, quality and customer satisfaction are always our top priorities. Our products are manufactured with superior German engineering and are provided to our customers as original spare parts of guaranteed quality. Our quality policy is to provide our customers with the best quality products and meet their needs in the best way possible. Customer satisfaction is always important to us.

KLÖTZE TECHNIC

Gesuchte Europäische
Qualität

Klötze Technic is a Germany-based company specializing in truck, trailer, and bus spare parts. Together with our sales office in Turkey, we provide our customers with original spare parts of guaranteed quality. Our products are manufactured with superior German engineering. Our main groups consist of Engine, Cooling System, Fuel System, Exhaust System, Clutch & Pedal, Gearbox, Propeller Shaft, Axles, Brake System, Hubs & Wheels, Suspension, Steering, Electrical System, Cabin, and Body.
At Klötze Technic, we strive to provide our customers with the highest quality products, competitive prices, and superior customer service.

Our Mission:
At Klötze Technic, we work to provide our customers with the h ighest quality and reliable spare parts for trucks, trailers, and buses. Our high-quality products are manufactured with superior German engineering.
Our mission is to meet our customers' needs and provide them with the best customer service possible.

Our Vision:
At Klötze Technic, we aim to become a world-leading company in the field of truck, trailer, and bus spare parts.
Our vision is to provide our customers with the highest quality products, competitive prices, and superior customer service. In doing so, we aim to meet our customers' needs and ensure their satisfaction.

Our Quality Policy:
At Klötze Technic, quality and customer satisfaction are always our top priorities. Our products are manufactured with superior German engineering and are provided to our customers as original spare parts of guaranteed quality. Our quality policy is to provide our customers with the best quality products and meet their needs in the best way possible. Customer satisfaction is always important to us.

Qualität

Klötze Technic is a Germany-based company specializing in truck, trailer, and bus spare parts. Together with our sales office in Turkey, we provide our customers with original spare parts of guaranteed quality. Our products are manufactured with superior German engineering. Our main groups consist of Engine, Cooling System, Fuel System, Exhaust System, Clutch & Pedal, Gearbox, Propeller Shaft, Axles, Brake System, Hubs & Wheels, Suspension, Steering, Electrical System, Cabin, and Body.
At Klötze Technic, we strive to provide our customers with the highest quality products, competitive prices, and superior customer service.

Our Mission:
At Klötze Technic, we work to provide our customers with the h ighest quality and reliable spare parts for trucks, trailers, and buses. Our high-quality products are manufactured with superior German engineering.
Our mission is to meet our customers' needs and provide them with the best customer service possible.

Our Vision:
At Klötze Technic, we aim to become a world-leading company in the field of truck, trailer, and bus spare parts.
Our vision is to provide our customers with the highest quality products, competitive prices, and superior customer service. In doing so, we aim to meet our customers' needs and ensure their satisfaction.

Our Quality Policy:
At Klötze Technic, quality and customer satisfaction are always our top priorities. Our products are manufactured with superior German engineering and are provided to our customers as original spare parts of guaranteed quality. Our quality policy is to provide our customers with the best quality products and meet their needs in the best way possible. Customer satisfaction is always important to us.

Klötze Technic is a Germany-based company specializing in truck, trailer, and bus spare parts. Together with our sales office in Turkey, we provide our customers with original spare parts of guaranteed quality. Our products are manufactured with superior German engineering. Our main groups consist of Engine, Cooling System, Fuel System, Exhaust System, Clutch & Pedal, Gearbox, Propeller Shaft, Axles, Brake System, Hubs & Wheels, Suspension, Steering, Electrical System, Cabin, and Body.
At Klötze Technic, we strive to provide our customers with the highest quality products, competitive prices, and superior customer service.

Our Mission:
At Klötze Technic, we work to provide our customers with the h ighest quality and reliable spare parts for trucks, trailers, and buses. Our high-quality products are manufactured with superior German engineering.
Our mission is to meet our customers' needs and provide them with the best customer service possible.

Our Vision:
At Klötze Technic, we aim to become a world-leading company in the field of truck, trailer, and bus spare parts.
Our vision is to provide our customers with the highest quality products, competitive prices, and superior customer service. In doing so, we aim to meet our customers' needs and ensure their satisfaction.

Our Quality Policy:
At Klötze Technic, quality and customer satisfaction are always our top priorities. Our products are manufactured with superior German engineering and are provided to our customers as original spare parts of guaranteed quality. Our quality policy is to provide our customers with the best quality products and meet their needs in the best way possible. Customer satisfaction is always important to us.

Klötze Technic is a Germany-based company specializing in truck, trailer, and bus spare parts. Together with our sales office in Turkey, we provide our customers with original spare parts of guaranteed quality. Our products are manufactured with superior German engineering. Our main groups consist of Engine, Cooling System, Fuel System, Exhaust System, Clutch & Pedal, Gearbox, Propeller Shaft, Axles, Brake System, Hubs & Wheels, Suspension, Steering, Electrical System, Cabin, and Body.
At Klötze Technic, we strive to provide our customers with the highest quality products, competitive prices, and superior customer service.

Our Mission:
At Klötze Technic, we work to provide our customers with the h ighest quality and reliable spare parts for trucks, trailers, and buses. Our high-quality products are manufactured with superior German engineering.
Our mission is to meet our customers' needs and provide them with the best customer service possible.

Our Vision:
At Klötze Technic, we aim to become a world-leading company in the field of truck, trailer, and bus spare parts.
Our vision is to provide our customers with the highest quality products, competitive prices, and superior customer service. In doing so, we aim to meet our customers' needs and ensure their satisfaction.

Our Quality Policy:
At Klötze Technic, quality and customer satisfaction are always our top priorities. Our products are manufactured with superior German engineering and are provided to our customers as original spare parts of guaranteed quality. Our quality policy is to provide our customers with the best quality products and meet their needs in the best way possible. Customer satisfaction is always important to us.
